

A **FREE GIFT**

from
EAT RIGHT AMERICA™

HEALTH ALERT

June, 2010: With two-thirds of Americans overweight or living on prescription meds, the USDA calls on ALL Americans to eat a more **Nutrient-Rich Diet!**

TAKE PART
in the

A PERSONAL 28-day program designed to properly nourish you and your family!

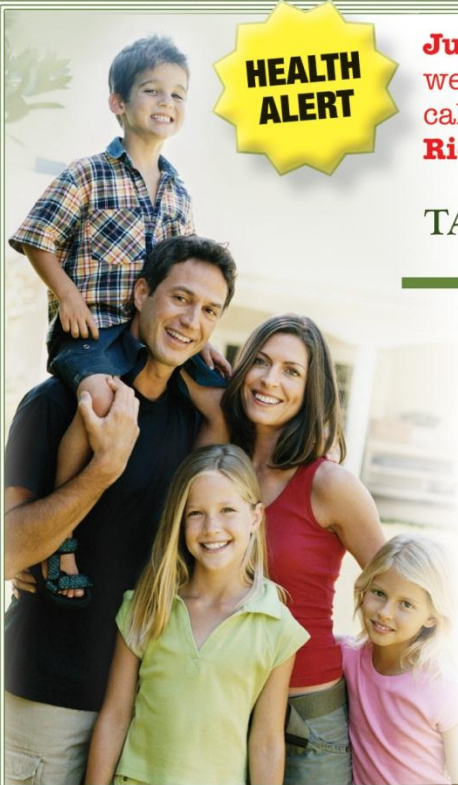

Based on the success of over 10,000 patients, Eat Right America introduces the Nutrition Prescription™, the nation's only Patented, Personal Nutrient Assessment & Eating Plan. Living a fitter, healthier life is as simple as 1, 2, 3.

- STEP 1** Go online and tell us all about your eating habits, lifestyle, family medical history and any specific chronic condition(s) or weight loss goals.
- STEP 2** Nutrition Prescription will analyze your data and provide a Personalized Eating/Nutrition Plan designed specifically for YOUR weight loss goals or medical needs.
- STEP 3** You will receive 28-day step-by-step Personalized Support and Coaching to ensure you achieve YOUR goals.
