

## Donation Request Form

Whole Foods Market believes in partnering on events and projects that support the communities in which we live and work.

- At least 5% of our annual net profits are donated to charitable causes.
- The majority of our donations come in the form of products from Whole Foods Market.
- Please be very specific on your donation request. For example, if you are hosting a benefit run and would like us to donate bottled water please provide us with the number of bottles needed for your event.
- **Please submit your request 8 - 10 weeks prior to the date of your event or activity.**
- **To be considered, you must submit your 501c3 or non-profit status paperwork along with this form.**
